**Food Project:**

Discussion of Food project: Shahala and Jason will meet with Lisa Wydra in Winter. Eileen will ask Isabelle about Hayward.

Hayward School store sells ice cream bars, sweets and Starbucks. Winter school is high in starches. Students can meet and discuss better options for their school food.

Eileen will get calendar and minutes to Cathy Becker. Ask Jason for agenda.

**Shoe Project:**

We will ask for boxes. Promotional materials requested. World Wear Project website:

<http://worldwearproject.com/>.

Eileen and Lori will create and send a letter. Try 1 big drive first and submit. Some locations may not want to keep. Ask for promotional materials. Place to place boxes: Schools, Library, LCO College, Grocery stores, churches, gas stations, banks, clinics and hospital. Contacts from locations are needed to advise us of a box being ½ full. Members would be responsible for their locations. We can ask the 4-H leaders to create a financial account for our fund raising. The funds would be used for our project. If the object closes the funds go to the 4-H youth.
