Swine Project

We had a wonderful group of youth participate in the Swine Project this year. We learned about swine parts and how to successfully show swine in the fair. Thank you to all of the parents for supporting their youth in this project. We also want to thank all of the MASC families that helped put up the swine barn walls before the fair. Looking forward to another great year in the Swine Project. If you are interested in showing swine at the 2018 Sawyer County Fair, please make sure to contact Jeremiah or Donna Knuckey at 715-266-4402 and we would be happy to assist you with signing-up or answer any questions.

Wisconsin 4-H Youth Conference

Youth Conference is a 4 day event held yearly in June at the UW-Madison campus. Youth in grades 7-10 are able to stay in the dorms and participate in service learning projects and other project workshops. You may learn to sail, or canoe or kayak, build a bluebird house, repair a bike, learn ideas for working with Cloverbuds, participate in a STEM workshop, or learn new leadership skills to name a few of the things offered. In the evenings, there are dances, speakers, a talent show, art show, and a presentation from the Drama Company. This year Shahala White from the Winter Evergreens Club attended with leader Debi Steiner.

4-H Club/group Charter Information

4-H Club/group Financial audits need to be turned in by our September Leaders Association meeting on September 12th, so we can close out last year's financial information for the year that ended on June 30th, 2017. This is a piece of the charter to finish out your financial year, then we can audit it and get it sent in with the upcoming year's charter. These Charter documents will be due by October 15th to the Sawyer County Extension office, who will forward to the state liaison, Matt Calvert. Winter Evergreens, Stone Lake, 4-Leaf Clovers, MASC and Sawyer County 4-H Clubs, Inc. are those that need to re-charter for the upcoming year. If you have any questions about this, please call Debi Steiner 715-266-6417.
